Rebecca E. Clark, M.S., LMFT

Licensed Marriage and Family Therapist (LFMT)

80 River Rd Newcastle, ME 04553 # 207.563.3366

Office Appointment Hours:

Mon. 8:30AM-10:30AM; Tues. 8:45-1PM; Wed. 9AM-5:30PM; Thurs. 8:30-3PM

Degree: I hold a Master of Science degree in Marriage and Family Therapy/ Human Development. I earned this at Virginia Tech, No.VA in 2003.

License: LMFT. #MF4478. Issue/Expiration Date: first issue, 07/05 (LMFT) to 4/30/2019 (LMFT), expiration. I am an Associate Member of the American Association of Marriage and Family Therapy (AAMFT).

Areas of Competence: I am trained to work with individuals of all ages, couples, and families to address relational and mental health concerns such as marital distress, family life transitions, anxiety/depression, trauma, parent/child relationships, and psychosocial issues relating to medical concerns using a variety of modalities tailored to fit the needs of each individual client. I am informed by attachment theory and utilize the evidence-based Emotionally Focused Therapy (EFT) for working with couples and families. From a family systems and biopsychosocial-spiritual framework, I look at the role and nature of individuals' primary relationships as a part of their whole health.

Course of Treatment: In the first interview, we will have the opportunity to meet each other, evaluate your needs, and go over any insurance paperwork. A therapy session is generally scheduled for one hour (50 min). I will want to get to know you and your concerns, what you would like to be different, and how you think I could be of help to you. We will then discuss the frequency of counseling recommended (i.e. once a week, etc.) and begin setting therapy goals. This will help us both have a clear understanding of how you would like to use this therapy and when you have achieved your goals. At times the first session will run 55-65 minutes.

Confidentiality: Our conversations will remain confidential. I believe this is essential for creating an environment of safety and trust. Furthermore, ethical and legal codes (included in a separate attachment) prevent me from revealing your Private Health Information (PHI) without your written permission. Whether I meet with one adult or more than one (i.e. couple or family), I must obtain a written release from each adult before sharing any information. The only exceptions to this confidentiality are below:

1. Threat of serious harm to self or others (i.e. physical violence; suicide)
2. Reasonable suspicion of abuse of child, or neglect of a child, or abuse, neglect or exploitation of an incapacitated or dependent adult;
3. A court order;
4. Voluntary release signed by client or guardian; and
5. During clinical consultations.

Fee Schedule: The fee for therapy services is \$130 for the initial session and \$115 per therapy hour (55 min.), thereafter. Checks or cash payment is expected at the time of service. *Please inquire about a discount for uninsured/self-pay.* **I do not perform court-related assessments.** However, if I am court ordered, court – related paperwork, appearances, and travel are posted and billed at the rate of \$250/hour or increments thereof and related payments are due within ten (10) days of service(s) rendered.

Insurance: I currently accept Anthem BCBS, MCHO, Harvard Pilgrim, and Aetna. Any charge not covered by your insurance will be your responsibility.

Extended Sessions: Insurance does not cover beyond 60 minutes. Any extensions to the 55-minute therapy hour will be self-pay and billed by increments of 15 minutes. Extended sessions will be agreed upon between therapist and client prior to the start of the session. If you are interested in an extended session, please check with the therapist for availability.

Extended Therapy Sessions:

15 min = \$30 30 min = \$60 45 min = \$90 60 min = \$90

Appointments: Please call (207) 563-3366. While Lifespan Family Healthcare is opened Mon – Fri., my hours are by appointment only. I look forward to meeting with you.

Cancellations: Mutual respect for client(s) and practitioner's time is extremely important. The time of each client's scheduled appointment is held specifically for that client/family. Client(s) agree(s) to provide *48-hours in advance notice of a cancellation*. Notice of cancellation may be either by direct contact or by voice mail at (207) 563-3366. **Late cancellations** (less than 24 hours prior to appointment) or **missed appointments regardless of the reason** (car problems, traffic, an unexpected conflict in schedule etc.) with the exceptions of extremely poor weather conditions that make travel unsafe or sudden illness will be subject to a \$50 charge. Or alternatively, two no-shows in a row will result in consideration for discharge from practice.

Response to Client Calls: Every reasonable effort will be made to return client(s) calls in a timely manner. Clients can expect a return call within one business day. Please note this means a message left on a Friday may not be returned until the following Monday. The client should leave her/his name and at least one telephone number on the voice mail message. Clients should not leave pager numbers. The practitioner will inform clients in advance of any expected absence.

Emergencies: This practice does not provide 24-hour coverage for mental health emergencies. Should the client experience a mental health emergency, s/he should call the crisis hotline (1-888-568-1112), the closest hospital Emergency Room, or dial 911.
