**License:** LMFT. #MF4478. Issue/Expiration Date: first issue, 07/05 (LMFT) to 4/30/2025 (LMFT), expiration. I am Clinical Fellow of the American Association of Marriage and Family Therapy (AAMFT) and certified by ICEEFT as an EFT therapist and supervisor.

**Areas of Competence:** I am trained to work with individuals of all ages, couples, and families to address relational and mental health concerns such as marital distress, family life transitions, anxiety/depression, trauma, parent/child relationships, and psychosocial issues relating to medical concerns using a variety of modalities tailored to fit the needs of each individual client. I am informed by attachment theory and utilize the evidence-based Emotionally Focused Therapy (EFT) for working with couples and families. From a family systems, attachment, and biopsychosocial-spiritual framework, I look at the role and nature of individuals' primary relationships as a part of their whole health.

**Course of Treatment:** In the first interview, we will have the opportunity to meet each other, evaluate your needs, and go over any paperwork. A therapy session is generally scheduled for one hour (55 min). I will want to get to know you and your concerns, what you would like to be different, and how you have coped. We will then discuss the frequency of counseling recommended (i.e., once a week, etc) and begin setting therapy goals. This will help us both have a clear understanding of how you would like to use this therapy and when you have achieved your goals. The initial consultation will run 55-65 minutes.

Checks, CC, or cash payment is expected at the time of service. **I do NOT perform court-related assessments.** However, if I am court ordered, court – related paperwork, appearances, and travel are posted and billed at the rate of \$300/hour, or increments thereof and related payments are due within ten (10) days of service(s) rendered.
